

Int. Podcast studio, modern day

RICK sits behind the microphone

RICK

I mean that's some bullshit. Believe what you want, but I just don't think I'll ever come around on that. Anyways I think it's time for some question

Ok now first up we have lionel from Michigan

LIONEL FROM MICHIGAN

How's it going RICK? First time calling in, huge fan of the podcast. So here's the deal, I met this girl one time my freshman year of college. And we've all since graduated but here's the catch, I still think about her. Even though it was only one chance encounter that lasted about 20 minutes, we really got along, probably the only person I am just totally myself around. I'm thinking about reaching out but it's difficult because we don't live in the same state and I'm pretty sure she's married. How do you think I should handle this? Alright, love the show, peace out.

RICK

Lionel, here's the deal. This is a tough dilemma you've got yourself in, and I know there's a lot of listeners feeling just the same damn way: to lay it all on the line, let this person know just how you really feel. So I want you to listen close, Lionel, and do exactly as I say. I need you to go

home and jack off. Then think the problem through, hopefully that helps.

We got another question. This caller is from Rock Springs Indiana

MIKE FROM ROCK SPRINGS INDIANA

Rick! This is Mike Reins Calling from Indiana. I got a heavy one for you today, I'll apologize now If I'm bringing down the vibe. I just could really use some advice. I'm feeling a little lost, Actually straight up not sure how what I'm doing with my life. I'm 23 years old, I work for amazon doing deliveries, and I still live at home. It's all fine, but honestly I'm having a hard time staying motivated. MMaybe even its hard to get out of bed in the morning...

Rick pauses the call

RICK

Mike I don't need to hear anymore, I already know what's going on. I remember a time in my 20s when I was feeling just the same way as you. It's not easy, this life thing. I was living by myself in a shitty studio apartment, my girlfriend had just dumped me, and I was bumming. So I figured, DAMN I really need to jack off. So that's what I did.

Ok, Ok, next up we have Mike from Springfield Illinois

MIKE FROM SPRINGFIELD

Hey Rick, listen, I got a real doozy for ya. I'm seeing this girl, things

are going great, it new, its hot, its heavy. But listen, weve been texting and she's been getting sexy over imessage, talking dirty and all. Well she sent me a hot pic of her, I mean she looked real sexy, but I didn't know how to respond. I responded, "great angle" but that felt corny as hell. So I'm wondering, do you and your lady ever sext each other, what should I say when she sends a sexy pic? Much love from the corn state. Thanks for taking my call

RICK

Shit, man. Your lady sends you a beautiful picture of her in her undies and you're upset? Go jack off to that shit and get back to me.

Lot's of women problems today ... what's new?

Scrolling through his phone

Hmmm... Ohhhhhh a lady caller, we've had a drought on these. I wonder why? lets see what she has to say

SARAH FROM MADISON WISCONSIN

Hi Rick. This is Sarah calling from Madison wisconsin. Here's why I'm calling today I've been seeing this guy, let's call him the banker, nice guy, good job, we have lovely dinner dates on Friday evenings and he pays for everything. But recently I went out with my girl friends, we met a group of guys and had the most fun I've had since college. One of the guys, lets call him the party, has been coming on

strong messaging me. Here's my question: when I'm around the party I feel so alive and beautiful but when I'm with the banker I feel secure and cared for. Is it time for a mix up, or should I stick with what's been working? Thanks Rick!

RICK

Sarah, There are people out here suffering with real problems. I just walked by a homeless man on the street. No shoes... no teeth! He had a sign, and it read "wife left for brother, dog killed itself, toe stubbed". But you know what he was doing? Jacking off. Maybe you should take his lead!

OK! Let's do one more. Hmmm...I'm seeing a Scott from Carlisle Ohio.

SCOTT FROM CARLISLE OHIO

Hey Rick, I need your help, my grandmother just passed away. I grew up with her always around so we were super close. Maybe this is the first time a relative has died that was such a big part of my life. This was a month ago, but still it's been weighing heavy on me. A Lot of emotions and I just don't know how to get them off my chest. Any advice would be great!

RICK

Scott, I hear you, and I know just what you need to do...
