

INT. Newly weds mark and Jeanie are on their honeymoon

They are spooning in a comfy looking bed

MARK

Want to read the messages people left  
for us in our wedding journal?

JEANIE

How romantic lets do it

MARK

Oh look heres one from your dad:  
*Marriage is the most beautiful of all human creations.  
Cherish every moment*

I swear, you're dads a poet

JEANIE

He loves you.

Look, here's one from Lydia:  
*I've never been so happy to have two friends fall in love  
with each other.*

JEANIE

Oh gosh, here's one from your  
grandmother:  
*There's sickness in this family*

MARK

Cheerful, as always

JEANIE

What's this one? I can barely make it  
out:

*Oh my god I've never been drunk before. This wedding is the  
best.*

Hahahaha one of the younger cousins  
must have stolen some drinks that were  
sitting around

MARK

I bet it was steven he's right at that age

JEANIE

There's another one from this person!

MARK

Jeez it's even more messy. I can barely read it:

*Ohh noooo*

*I may have just*

*Put a cannoli in there*

JEANIE

Huh...

Are there any more?

Mark is flipping through the pages

MARK

Your sister..My weird Cousin Mike..Uncle Danny..Oh here's the handwriting:

*Why would I do this?!*

*It's not coming out*

JEANIE

Oh! Oh no.

MARK

Let's see if they kept journaling.  
Looks like there's another

JEANIE

Right there!

*Gramma told me I can't tell anyone what happened*

*But everyone is eating Canoli's now*

*I'll never eat another cannoli again*

Mark Flips through the rest of the pages.

MARK

Good god.

Beat as they flip through pages

There's more:

*I tried to put a second one in but it made it worse*

JEANIE

Here's another

*The dog was no use, Mike said we might have to use a fork*

*I knew Mike was involved*

MARK

Looks like theres one more

*THE FORK WORKED!*

*And I still got to eat my cannoli!*

JEANIE

Phew. I was worried there for a second.

MARK

Things like that have a way of working themselves out

JEANIE

That's enough journal entries for today. Want to do something else?

MARK

Wait it looks like grandma left us a long note

JEANIE

Does it explain anything?

MARK

Read for yourself

Mark shares the book so the two can read.

MARK

Ohhhh

JEANIE

Imagine...

MARK

Oh thank god

JEANIE

I can't believe...

MARK

And I thought we had a crazy night.
