

INT. A THIRD GRADE CLASSROOM - NOON

Teacher stands at the front of the class in front of students WILL, CATHERINE and SUNFLOWER.

TEACHER

Hello class. Today, we will embark on a very important journey in your elementary school careers. Today we will begin to learn to play...
the recorder!

She passes out recorders to the class

SUNFLOWER

Yay!

TEACHER

Yes, yes, Yay indeed.

WILL

So exciting!

CATHERINE

This'll be so fun!

TEACHER

Yes, but most importantly of all, this lesson will connect you all to the cultural legacy of every third grader across the US that has ever come before you.

Sunflower looks at the recorder in awe

SUNFLOWER

Wowwww.

WILL

This is so cool!

CATHERINE

What an important skill for us to be learning!

WILL

We can put this on our resumes when we get older! Haha or not. I don't really know what a resume is.

CATHERINE

Yeah, what a weird thing to say.
We're in 3rd grade!

TEACHER

We will begin with our warm up

The children open their sheet music and start warming up.
The warmup is just one note repeated over and over again,
but somehow the students are bad.

TEACHER

No no no, stop stop stop stop stop
stop stop.

SUNFLOWER

Okay.

WILL

We stopped.

CATHERINE

Why'd she say stop so many times?

WILL

She's pretty eccentric. Haha, I
don't actually know what eccentric
means.

TEACHER

Okay, you know what, it's fine.
We're warmed up. Let's go to Mary
Had a Little Lamb

The children turn their pages and start playing. They are
pretty bad, but Sunflower is alright

TEACHER

Bad, bad. Ohmygoodness. This is so
bad. Except for you, you in the
front, you're not bad.

SUNFLOWER

Thanks

TEACHER

What's your name

SUNFLOWER

Sunflower

TEACHER

Brilliant!

SUNFLOWER

Thanks.

TEACHER

You have great potential. You too could perhaps one day teach recorder to third graders yourself.

CATHERINE

Geez, favoritism much.

WILL

Yeah,

(sarcastically)

plus there's so much money in the third grade music teacher profession.

CATHERINE

What?

WILL

Just kidding. Haha. I'm in eighth grade. I don't understand income. I have no right to joke about stuff like this.

CUT TO:

INT. AN ELEMENTARY SCHOOL MUSIC RECITAL

Will, Catherine and Sunflower all play Mary Had a Little Lamb.

Sunflower is amazing.

Suddenly her instrument falls apart. She looks to Catherine and Will.

SUNFLOWER

Sabateur!

Catherine and Will get defensive

CATHERINE

You can't prove it!

A hammer (or some other instrument of sabotage) falls out
of Will's pocket

WILL

Drats!!

The end.
