

Int. Bedroom

Sexy background jazz compliments the candlelight that gently fills the room.

Don Almond's face is bent in concentration, and buried deep between his ladies legs, Donna Mars

Don Almond

Lulululululululululululu

He comes up for air, sucking in a deep breath his diaphragm expands before he plunges back down.

Beat.

The romantic tension is shattered by his ringtone : Turn Down For What

Frantically he tears through his pants looking for his phone to turn down...the volume.

He clicks off the ringtone. He turns back to Donna Mars

Don Almond

Come here my beautiful Donna.

He begins to crawl towards his love. Suddenly his phone starts blaring TURN DOWN FOR WHAT.

With a sigh of relief the sexy jazz begins to play again. Don Almond happily returns to eating out Donna Mars.

Don Almond

GOSH!

He turns it off

He answers the phone

Don Almond

Annoyed
