

Zach Magid's Mom Writes Baby Books

INT- The door to the house opens in the background. Julie Magid is reading the newspaper on a couch.

ZACH
MOOOOOOOOMMMMM!!!!

JULIE
Living room, Zach. Can we please lower our voice?

ZACH
AAAAAAGH. Why do you constantly try to ruin my life??

JULIE
What wrong? Your life sure doesn't appear ruined.

ZACH
Doesn't appear ruined? They found it, MOM!

JULIE
Who is they? and what did **they** find?

ZACH
The childcare book you wrote and by they I mean the entire seventh grade

JULIE
What's wrong with that? You should be proud of me.

ZACH
You used pictures of me in the book

JULIE

Oh my god. I bet everyone one of the kids in your class is jealous. You know, not just anyone has their picture published in a new york times best-seller

ZACH

Pictures of my penis

JULIE

Well... you were just a newborn, and please think about what other options I had to use for accurate diagrams

ZACH

Literally any other type of diagram! Or I don't know? At least not color photo's captioned: Penis of Zach Shaw Magid son of Julie Magid under every picture.

JULIE

sarcastic

Your right, I'm sorry. Your mother's life work embarrasses you. Can I bake you some cookies?

ZACH

And who was the target demographic? Mothers across the country of kids that are roughly the same age as me. I've exposed myself to America's entire seventh grade.

JULIE

Zach, there's nothing to be ashamed of your penis is perfectly fine, trust me. And I really doubt any middle schoolers are picking up my book, its really just for moms.

ZACH

You would think that. But today in health class a projection of my penis appeared ON THE SMARTBOARD

JULIE

Oh my...well, Zach, I am sorry about that.

ZACH

Oh? You're sorry? You're sorry?! My health teacher Mrs. **Watko** told me you provided the school with a hundred free copies to use for health class. When were you planning on telling me that?

JULIE

Well,
Beat
sales have started to fall a little bit and I figured if we could get the book into health classes that would be big for sales.

ZACH

Oh that's a new one, you completely disregarded me and thought only about yourself

JULIE

I'm trying to provide for this whole family, Zachary

ZACH

Look I know my penis is extremely small and misshapen already, I don't need everyone else knowing. I also don't need Charlotte Johnson asking what we're looking at or Mrs. **Watko** having to put on her glasses to see it.

JULIE

Well I'm sure there were quite a few ladies excited to check out

ZACH

Quite a few ladies?! what does that mean? It's a three-year-old's penis in the picture.

JULIE

Zach, I don't know what you want me to say

ZACH

The soccer team started chanting Magid's meat when I walked into lunch.

JULIE

Well, are you...

Zach

My history teacher Mr. Tague told me we have more in common than I realized. That can never happen again.

Julie

... are you going to let me know what I can do?

ZACH

I wish you had never written, *Raising Zach Magid: Life as the mother of an accidental circumcision and the subsequent recircumcision of a micropenis*

JULIE

So you're asking me to bump up your royalties?

ZACH

Yeah

JULIE

A 2% increase?

ZACH

Sure

JULIE

Alright fine. Go get your homework done.
